Summary

Dear All

Good day.

Please regard this letter as an introduction for your consideration. I am interested in exploring employment opportunities with your organisation on a permanent or contractual basis.

As my resume relates in more detail, I am currently looking for position as Full Stack Software Developer - https://sergiykochenko.github.io/MyResume

My background work I have over 15 years of experience in Maritime industry.

During the course of my experience, I have also lot of experience in logistic, book keeping, with all kinds of documents, with electronic equipment ϑixing and repairing, reports in paper and paper less and many more. In addition to this, I have a Bachelor's Degree, strong English level.

Over the course of my career, I have developed excellent analytical and problemsolving skills, strong time management skills and the ability to deal effectively with all levels of management and staff.

Please provide information concerning possible employment opportunities with your organisation. I wish to thank you for taking the time to review my application and I look forward to the opportunity to discuss my qualiϑications with you.

Sincerely,

Sergiy Kochenko
